

Affiliate Membership Proposal

SAEVA Member eligibility for BEVA Affiliate Membership

BEVA would like to collaborate with SAEVA and open its digital member benefits to interested SAEVA members. Having reviewed the technological and financial challenges we consider that the most efficient way of achieving this is by offering individual members of “sister organisations” the opportunity to join BEVA (at a highly discounted rate).

Principles:

Any arrangement must be

- fair to BEVA members - SAEVA members and BEVA members would need to pay a similar amount per benefit used.
- fair to each association - it should encourage individuals to remain members of their “home” association.

The primary BEVA benefits that might be valuable to SAEVA members would include:

- Free Online access to EVE and EVJ (these come as a package which is paid for on a “per member” basis. It is not feasible to separate them)
- Free access to BEVA Apps
- Free access to the BEVA Webinar Library
- Reduced rates for Congress/CPD

UK based BEVA members receive the following additional benefits which are less to be valuable to members outside the UK:

- Practical CPD courses held in the UK
- Advice and guidance specific to the situation in the UK
- Representation to the UK authorities
- Discounts or services restricted to the UK

Proposal

BEVA would be happy to offer SAEVA members “Affiliate Membership” providing access to all the digital benefits incl. journals (EVE and EVJ online plus EVE and EVJ apps), BEVA apps, webinars, website etc... at £109.50 per year (currently €123)

The membership deal would only be open to individuals who, at the time of application / renewal, were both:

- a. Resident in Southern Africa and
- b. Members of SAEVA

During the joining process members will be asked to confirm that they are members of SAEVA. We would, however, also send a list of the names of new Affiliate members to SAEVA for validation on a regular (e.g. quarterly) basis.

Affiliate membership applications is now available via the following link:
